INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

No 4341p

Leicester, Mo

June 18<sup>th</sup> 1908

Special Comm. Court of Claims,  
Washington, D.C.

Sir:

The reason I was not enrolled with the Eastern Cherokee in 1851 was because I was living at a great distance from them at that time and knew nothing of the enrollment until it was over.

I never lived with the Cherokee as a recognized member of their tribe but my father John Payne or John Curly was part of the time.

My parents were reared among white people and were not content to live among the Indians. Was never held as a slave by white people nor Indians.

To my knowledge none of my immediately relations ever shared in a payment to the Cherokee because they knew nothing of any bounty coming from them.

Lewis Keener, being first duly sworn, thru his Interpreter deposes and says:-

My name is Lewis Keener. I was born in Tahlequah District. I was enrolled by the Lawes Commission as a full-blood and received my allotment of land. I was enrolled under the name of Lewis Keener, #18999. I was born about 1870. My fathers Cherokee name was Nan-ih-lih and my mothers Cherokee name was Nah-lin-coo-wee-scoo-see. Her English name was Callie Ross. I have heard that my parents were enrolled in 1851 but I do not know what District either of them were enrolled. My father and mother were not married in 1851. I do not know the names of any of the aunts and uncles on my fathers side. My fathers died when I was a small boy and I was brought up by my grandmother. I think my father was enrolled in Delaware District. That District is the one my parents came to when they came to this country. Neither I nor my father or mother ever drew any Old Settler money. My grandfather Lewis Ross was an Old Settler. ( See O. S. ROLL ) My mother and grandmother ( mother's mother ) were enrolled in Tahlequah District. ( See 485 Del. for names ) ( See 55 Del. for father and grandfather ) I was enrolled and drew the Strip Payment in 1894.

O. K.

Why was such a piece of paper sent to the field? Lewis Keener

Why was such a piece of paper made in the first place?

I was sworn to before on this 10th day of October, 1908, at Locust Grove, Okla.

Dear Sir:-

Your notice of 6/10/09 to Merliny Ross,  
that his application No 43426, had been rejected,  
as a claimant for participation in the fund  
arising from the judgment of the Court of Claims  
of May 28/06, in favor of the Eastern Cherokees.

May I ask the grounds on which  
Merliny Ross' claim was rejected.

I have no pecuniary interest in the matter  
but feel that some one should look after his  
interests as he is a minor under the jurisdiction  
of this Court & has no one but his mother his  
Natural & Legally appointed guardian. (Who by the  
way is at death door & cannot possibly recover)  
to look after his interests. I have therefore  
taken the matter up to see if his case has  
been presented as strongly as it is possible to  
present it. Which if what I learn is true  
has not been done. Any information you  
can give me will be gratefully appreciated

FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

June 19, 1907.

Charles W. Boone,  
Jeddo, Alabama.

Sir:

This Office is in receipt of what purports to be a supplemental application in your behalf for your minor children to participate in the fund arising from a judgment of the Court of Claims in favor of Eastern Cherokees. This supplemental application appears to have been prepared by one John D. Beck.

It does not appear, however, that you have ever filed an original application to participate in this fund in your own right. If you desire to have your claim considered, you should fill out the enclosed application blank and execute the same and return to this Office without delay.

In order, however, that you may fully understand the situation, I wish to call your attention to the fact that the Creek Indians, as such, have no right whatever to participate in this fund. Unless you can show that you are descended from some Eastern Cherokee Indian who was a member of the Eastern Cherokee Tribe at the date of the Treaty of 1835-6 or 1846, you would not be entitled to share in this fund and it would, therefore, be useless for you to file an application. You will find enclosed a circular letter giving further information.

Chas. W. Boone,-- 2.

You are further informed that John D. Beck has no authority to represent this Office and is in no way officially connected with the Eastern Cherokee enrollment.

Very respectfully,

Special Commissioner.

SUPPLEMENTAL APPLICATION

OF

George Washington Williams  
FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

June 19, 1907.

George W. Williams,

Jeddo, Alabama.

Sir:

This Office is in receipt of what purports to be a supplemental application in your behalf for your minor children to participate in the fund arising from a judgment of the Court of Claims in favor of Eastern Cherokees. This supplemental application appears to have been prepared by one John D. Beck.

It does not appear, however, that you have ever filed an original application to participate in this fund in your own right. If you desire to have your claim considered, you should fill out the enclosed application blank and execute the same and return to this Office without delay.

In order, however, that you may fully understand the situation, I wish to call your attention to the fact that the Creek Indians, as such, have no right whatever to participate in this fund. Unless you can show that you are descended from some Eastern Cherokee Indian who was a member of the Eastern Cherokee Tribe at the date of the Treaty of 1835-6 or 1846, you would not be entitled to share in this fund and it would, therefore, be useless for you to file an application. You will find enclosed a circular letter giving further information.

Geo. W. Williams-- 2.

You are further informed that John D. Beck has no authority to represent this Office and is in no way officially connected with the Eastern Cherokee enrollment.

Very respectfully,

Special Commissioner.

Washington, D. C.

Dear Sir:-

Enclosed I hand the application of my son, Wm. Penn Nixon, Jr., for a share of the money appropriated for the Eastern Cherokee Indians. This application has been necessarily delayed, because when the papers came to hand from our attorney, my son was in the wilds of Northern Wisconsin and could not be reached. My own application I mailed to you August 29th., and it undoubtedly reached you within the time limit. This application of my son's was delayed on account of conditions beyond our control, and I trust that on that account the delay will be overlooked and the papers accepted.

Very respectfully yours, .

has had me a Report or decree of the  
Council of Claims in the matter of  
Claims of the Eastern Cherokee en-  
titled to share in the fund arising  
from the judgment in this cause.  
It seems to me, after reading

the matter as I presume his name  
is properly on the Roll or you would  
not have written him. I presume this  
is only for those whose name is  
not properly on the Roll. Will you  
please be kind enough to write

APP. No. 43467.

June 9, 1908.

Mr. J. H. Sawyer,

Wheat,

Oklahoma.

Sir:

Replying to your letter of June 4, 1908, you are advised that your application has been received and filed as No. 43467, and the same has been given a preliminary examination but it has not yet been finally acted upon.

More than 2,000 applications have been filed and in many instances testimony will have to be taken locally in order to obtain the necessary information to pass upon the claims. Some of this testimony has already been taken and several parties are now appearing upon the part, but it will necessarily be considered that the time and expense of such testimony on the part of individuals is not to be considered in the final adjudication of the claims.

It is recommended that you should be prepared to give testimony in person or by affidavit in order to expedite the proceedings and to avoid the expense of taking testimony in person.

Very respectfully,

Special Commissioner.

Dear Sir:-

I would request your careful consideration of the following.

There has been placed in my hands for attention the claim of an Indian woman, Mrs. Mary Katherine Brewster, and being aware that claims must be filed by 31<sup>st</sup> inst, I beg that you kindly file this claim, and allow me to submit the proof and papers within ten days from time you so instruct me. While this is not exactly regular, yet there are extenuating conditions: this woman is uneducated, absolutely unversed with current topics, and but recently learned that she is eligible for share in the Cherokee Fund. That she is Indian is well known, and is more directly descended than many who are filing claims. She is very deserving, and being partially paralyzed is unable to contribute in any way toward the support of her family: she is practically without means, and an interest in the Fund would, I can assure you, be most acceptable. A sincere interest in her pitiable condition prompts me to place the matter before you at this late date: I am willing whatever may be the result, but should I be

Sir:-

I acknowledge, with thanks, receipt of your letter of 5<sup>th</sup> inst. and acting upon instructions herein, have made all possible haste to secure the necessary evidence of identity of Mary Catherine Brewster, and beg to submit herewith her formal application in name of Eastern Crocker fund.

As the copy of appearing to be application paper the affidavit of John Brewster, her father-in-law, who was present when I filled in the papers. If this is not in order it can readily be detached.

It is to be noted in view of my attention in this matter will have secured all material, and I will send you exclusive proof. I am all, reasonably that she was inclined to a marked degree, Indian characteristics.

Guion Miller, Esq.,

Special Commissioner of the Court of Claims,

#601 Ouzay Building, Washington, D.C.

Dear Sir;-

Re claim #43484, filed by Mary Catherine Brewster.

I am obliged for your letter of 10th. inst. I have just acquainted Mrs. Brewster with its contents, and I take this opportunity to advise you that the woman will not be in this world a great while longer; in the language of her relatives, "not later than the drap of the leaf". It is my regret that her application was one of the last in the long list, for I feel that there are few more worthy of a share in the fund than she, and her expectancy of the wherewith to contribute to the support of her large family, and leave them in better circumstances after she shall have been taken, is pitiful. The money she may receive would be a God-send, and sympathetic residents of the community earnestly hope that she may substantiate her claim.

Permit me to say that at such time as you may see fit to send a representative to take local testimony I would be glad to arrange to meet him, and take him to Mrs. Brewster's, - she being unable to leave her home. The hereditary Indian characteristics manifest in her are a forcible argument of her lineage.

Yours truly

Hon. James W. Hardwick,

Sir:-

I have the honor to acknowledge receipt of your letter of October 25, 1907, inclosing a letter from Mr. E. C. Danbar, of Augusta, Georgia, relative to the application of Mr. Lazarus Posey for participation in the Eastern Cherokee Fund.

You are advised that the application of Mr. Posey is on file and will be taken up and considered in its regular order, but as there are over 44,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

An abstract of the decree of the Court of Claims is inclosed, herewith, for your further information.

Mr. Danbar's letter is also returned.

Very respectfully,

W. C. Inc.

Special Commissioner.

Sir:-

Kindly advise this office why your parents were not  
included with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized  
members of their tribe? Were they admitted to tribal  
councils?

When did your ancestors come to Arkansas? Did any  
of your ancestors participate ever there in a support to the  
Government? If so, give their names and state when and  
where they were born.

When the first of a Royal Army, were you ever  
in the service of the Government?

Very truly,  
Sincerely,

App. #43513.

January 28, 1910.

Honorable John A. Moch,  
House of Representatives,  
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your letter of January 27, 1910, inclosing a letter to you from Mr. David Moss of Windom, North Carolina, relative to the application of Jane Styles for participation in the Eastern Cherokee Fund.

In reply you are advised that in the original consideration of this case I reported to the Court that this claimant was not entitled to participate in the fund, for the reason that it did not appear that her ancestors were enrolled with the Eastern Cherokees in 1835-6 or 1851, but it did appear that they were living far removed from the Cherokee domain at that time.

In my report to the Court of January 9, 1910 upon the exceptions filed to my report of May 28, 1909, I have reported that my original recommendation in this case is renewed.

Mr. Moss' letter is returned herewith.

Very respectfully,

Special Commissioner.

SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,  
EASTERN CHEROKEE ENROLLMENT,  
601 OURAY BUILDING,  
WASHINGTON, D. C.

Sir:

Replying to your letter of recent date relative to the Eastern Cherokee enrollment, you are advised that since filing my report of May 28, 1909, with the Court of Claims, the matter has passed entirely beyond my control.

My report sets forth why, in my opinion, the claims admitted should be admitted and those rejected should be rejected. The matter now rests with the Court and the only way that my decision can be reviewed is by filing exceptions in accordance with the order of the Court of June 10, 1909.

No blank forms will be furnished for the filing of these exceptions.

Under the order of the Court of Claims of April 29, 1907, it was necessary for claimants to file an application prior to August 31, 1907, and to prove that they were Eastern Cherokee Indians by blood, descended from Indians who were recognized parties to the Treaties of 1835-6, and 1846, and to further prove that they were not Old Settler Cherokees, and that they, or their immediate ancestors, had not since the Treaty of 1846 affiliated with any tribe or band of Indians other than the Cherokee Nation.

The application about which inquiry is made in your letter was rejected because the claimant failed to bring himself within these requirements.

Very respectfully,

DUION MILLER,

Special Commissioner.

*Secretary*  
State of New Mexico,

Personally appeared before the undersigned officer, a  
\_\_\_\_\_, Mrs. *Isa W. Hays*, who on  
oath states as follows:-

I am *57* Years old. My Post Office address is *Deming*  
*New Mexico*. That she makes claim to a portion in the fund  
of the Eastern Cherokee Indians, by virtue of *being a daughter of* William Vann  
Baxter, who was an Eastern Cherokee Indian, *Indian + English name the same* and who was born in  
1828, in the County of Green Tenn, and whose Post Office ad-  
dress was Greenville Tenn. That the *grand* ~~grand~~-father of William  
Vann Baxter was Joseph Vann, who was a full blooded Cherokee  
Indian East. That the daughter of Joseph Vann was the mother  
of William Vann Baxter. Joseph Vann lived on Lick Creek,  
Green County Tenn, and afterwards became a trader of slaves on  
the Mississippi River. I am informed and believe from the  
trustworthy information I have that the name of Joseph Vann  
appears on the roll of Eastern Cherokee Indians. Deponant  
further states that she is informed and believes, that Joseph  
Vann was enrolled as an Eastern Cherokee Indian; and that  
Joseph Vann Jr. claimed his claim upon the kinship of Joseph  
Vann. That said deponant is claiming under the same relation-  
ship as Joseph Vann Jr., claimed, and under the same kinship  
that the claim of Joseph Vann Jr. was allowed. Deponant further  
states upon information and belief that the Joseph Vann fami-  
ly went West with the other Eastern Cherokee Indians, but  
that William Vann Baxter, her father, ran away from home to  
keep from going West with the balance of the family. That  
William Vann Baxter, father of the claimant remained in East  
Tenn. for about six years, moving from there to Green County  
Georgia where he met Miss Sarah Oslin, whom he married.  
That they were married in 1847. To William Vann Baxter and

Sarah Vann Baxter were born five children, three of whom are living and two are dead. The living are, Mrs. D. J. Manning of Atlanta, Georgia, Mrs. Virginia Struble, of Chattanooga Tenn. and the claimant, Mrs. I da Hayes, of ~~Silver City~~<sup>Dumming</sup>, New Mexico, the claimant in this case. Deponent states that she has been told by an Aunt of Hers, Mrs. Z. Ed Jackson, O'lathe Kan., that her father had often said that there was an estate coming to his children by the fact of his being an Eastern Cherokee Indian. Deponent further states that the reason why she knows so little of her father's history is that he was killed in the battle of Chickamauga, at Chickamauga Georgia, while a soldier in the confedreate army. She she at that time was a small girl and hardly old enough to remember her father. Deponent states that she has been informed that her father had all the resemblances of the Eastern Cherokee Indians, as well as their characteristics. That William Vann Baxter was about thirty five years old when killed in the army. Deponent further states that she is the mother of two children, and that all are of age.

Deponent further states that she believes the foregoing statement to be true to the best of her knowledge and belief.

*I further state I had no requisition from Commissioner*

KINDLY explain to us why your parents were not  
enrolled with the Eastern Cherokee in 1881.

Did they ever live with the Cherokees or recognized

Were you born as a slave? If so, were you owned by  
any one of the tribe?

What is the name of your ancestors and do you have
